

Charitable Endeavour

The Rahman family will be cheering on Nicki Rahman (mother of Rohan, Omar, Kiyan and Ozair), as she undertakes the mighty endeavour of a Triathlon this Sunday, to raise funds for 'Plan International UK', for the children of Japan.

There is a blurb on Nicki's sponsorship page about Plan UK and all the work they are doing if anyone wants to know further details.

The event link is:

Nicki Rahman's sponsorship page is www.justgiving.com/nicolaandgina

We wish her well!

Plan is an international humanitarian organisation helping children to realise their full potential. Plan strives to achieve lasting improvements in the quality of life of deprived children and their families in developing countries.
