

Dear Parents

New Contact Service - ClarionCall

As a school we are always looking for ways to improve our methods for contacting parents quickly and efficiently in the event of sudden changes to the school day.

I am pleased to advise you that we are now introducing a new system called ClarionCall through which we can send text messages to your mobile phones, record voice messages or send e-mails. This service allows us communicate with parents quickly and securely.

Goto the following link to find out more about how ClarionCall works:

You may also find it useful to go to the following link for guidance on how to avoid the emails going into your spam or junk folders.

We will be sending you a test message over the next few weeks, once we have set the system up.

Kind regards

Mr M Till
Deputy Headmaster
