For the L4th, U4th and 5th form classes, the core subjects (English, Maths and Science) have been allocated one homework a week, in other subjects, one a fortnight.

For the L6th and U6th, subjects are allocated one homework per week, with the exception of Art which is set once a fortnight.

Each homework should be set for approximately 45 minutes. Should the homework take significantly less or more than the expected time, please let the subject teacher know.

Unless specified otherwise, the homework set will be expected to be handed in the following day.
